12/04	Yoshiki (SM)	Security Low Level Design Document	Security Low Level Design Document	Helped Authorization Low level design		
12/04						
	Phong	Security Low Level Design Document	Security Low Level Design Document	Implemented Client Data access feedback, Helped create Low level Design for Authentication		
	Jack	User Mangement Low-Level Design Document	Security Low Level Design Document	Implemented Client Logging feedback		
	Devin	User Management Low-level design document	User Management Low-level design document			
	Zarif	Network Diagram	Network Diagram			
12/05	Yoshiki (SM)	No work done	Security Low Level Design Document	Unforseen event		
1200	` '	NO WORK GOTE	Occurry Low Lever Design Document	Onioiscen event		
	Phong					
	Jack	Security Low Level Design Document	Security Low Level Design Document			
	Devin	User Management Low-level design document	User Management Low-level design document			
	Zarif	Network Diagram	Network Diagram			
12/06	Yoshiki (SM)	Security Low Level Design Document	Security Low Level Design Document	helped with user account creation low level design		
	Phong	Security Low Level Design Document	Security Low Level Design Document	.,		
	Jack	Destrict Conference of the Con	User Management Low-level design document	Unprecedented work load		
		Nothing		Unprecedented work load		
	Devin	No work	User Management Low-level design document			
	Zarif	Network Diagram	Network Diagram			
12/07	Yoshiki (SM)	Security Low Level Design Document	Security Low Level Design Document	helped with user account creation low level design		
	Phong	Security Low Level Design Document	Security Low Level Design Document			
	Jack	User Management Low-level design document	User Management Low-level design document			
	Devin	User Management Low-level design document	User Management Low-level design document			
	Zarif	Network Diagram	Network Diagram	Will contact client for feedback		
12/08	Yoshiki (SM)	Security Low Level Design Document	Security Low Level Design Document	Help with user account creation low level design		
	Phong	Security Low Level Design Document	Security Low Level Design Document	helped yoshiki out		
	Jack	User Management Low-level design document	User Management Low-level design document			
	Devin	User Management Low-level design document	User Management Low-level design document			
	Zarif	Network Diagram	Network Diagram			
12/09	Yoshiki (SM)		Network Diagram  Authorization Test, Authentication	Worked on acquirity library		
12/09		Security Low Level Design Document		Worked on security library		
	Phong	Security Low Level Design Document	Authentication Test, Authentication	Helped yoshiki		
	Jack	User Management Low-level design document	User Management Low-level design document	Updated logging tests as well		
	Devin	User Management Low-level design document	User Management Low-level design document			
	Zarif	Network Diagram	Network Diagram	contacted client for feedback with network diagram
